## FUNCTION MENU

## FUNCTIONS

Here at the Kingsdown, being a family pub, we are well accustomed to hosting functions for a variety of different occasions.

Our small family room lends itself to cater for small gatherings of up to 20-25 persons with clear access to the bar and is adjoined to our wooden terrace area located to the side of our building, perfect for alfresco dining in the summer.

For parties larger than 20-25 persons our 'top bar' is just as well equipped, offering exclusivity to an area that could easily cater for 70 persons comfortably.

Whether you're catering for a birthday party, anniversary or a wake our staff are happy to tailor an experience that best suits your needs.

Our hours are flexible from 9am onwards

With an option of a hot and cold buffet, (prices overleaf) or sandwiches and crisps, (from £3.50 per head).

Please contact us for more details

A large FREE carpark is also available opposite the pub.
